About You

We seek a minister with a heart for mission, a commitment to sharing the Gospel, and a flexible, well-organised approach to serving this diverse community. The parish has been vacant since the end of 2025.

The Town

Exmouth is a coastal town on Western Australia's North West Cape, close to Ningaloo Reef. Tourism, defence, fishing and associated services contribute to its economy. Alongside permanent residents, the town welcomes tourists and younger seasonal workers, including international travellers employed in tourism. These groups offer opportunities for relationships and gospel ministry.

Onslow is a smaller Pilbara coastal town associated with salt production, nearby gas-processing projects and tourism.

Exmouth has a district high school providing education from Kindergarten to Year 12. Onslow also has a local school, and both towns have hospital or health-service facilities.

The Facilities

Exmouth Anglican Community Church meets in an airconditioned building opened in 2010 with on-site parking and accessible toilet facilities. The rectory is located on the same location.

St Nicholas Anglican Church in Onslow is a historic timber church, first used for worship in March 1927. Following major repairs, ministry resumed in 2020 through visits from Exmouth.

The Church

Exmouth Anglican Community Church places Bible teaching and making and maturing disciples at the centre of its life. It welcomes local residents and visitors from different Christian backgrounds, with Sunday worship and provision for children. In Onslow, monthly services are led by the minister visiting from Exmouth, with Bible study and prayer in homes between visits. Together, these ministries offer opportunities to strengthen believers and share Christ across two distinct communities.
