About You

We seek a minister with a heart for mission, a commitment to sharing the Gospel, and a flexible, well-organised approach to serving this diverse community. The parish has been vacant since the end of 2025.

The Town

Kununurra is a town of around 6000 people, with 30–40 per cent of the population being Indigenous. It is located in the far north of Western Australia, 45 kms west of the Northern Territory. Established in the 1960s to service the Ord Irrigation Scheme, it is now a regional hub for the East Kimberely and its main industries include agriculture (cotton), tourism, government services and not-for-profit organisations.

The Facilities

St James Anglican Church meets in a modern church building in central Kununurra, opened in 1990. A Sunday School room was added in 2008. Church facilities support Sunday worship, children's ministry and other gatherings. The parish profile identifies a rectory for the incoming minister-in-charge.

Kununurra has a hospital and other health services, primary and secondary schools, supermarkets, and government and community services. East Kimberley Regional Airport provides regular scheduled passenger flights.

The Church

St James Church is a reformed, evangelical, low-church style congregation with a strong commitment to faithful, expository Bible teaching. The congregation is diverse, with people from many different cultural and language backgrounds. Key ministries include weekly Sunday services, youth and children's ministries, growth/Bible study groups, monthly aged care services and evangelistic events.
