OUR VISION

We long to see churches across our land thriving in kids and youth ministries.

We envisage churches that are brimming with life and vitality as they minister to young Australians, bringing Jesus to the furthest and the youngest. We imagine young people of Australia growing up with a deep love of Jesus, seeking to serve Him all their days.

We envisage a generation with a heart for the lost and God's people, not only in Australia but throughout the world.

We envisage churches and leaders working together supporting one another as we give all we can to see this vision come to life.

WHY REGISTER

Taking the gospel of Jesus to the furthest reaches of our land requires the support of children and families just like you.

By registering, you will be part of our network of supporters who take action in going the distance for Christ.

You will discover how you can support and learn more about our Field Staff, as well as participate in activities that help your faith grow.

Tell it to your children and let your children tell it to their children to the next generation.
