Prayer Notes

Reaching Australia for Christ since 1919

The Bush Church Aid Society

The Bush Church Aid Society has a heart for people living in remote and regional Australia.

We are committed to going the distance to reach Australia for Christ.

Under God, we do this by

- **proclaiming** Christ so that people may respond to Him;
- **nurturing** Christians in their faith and ministry;
- **strengthening** local Christian communities in their mission;
- **providing** services of Christian care and advocacy;
- **developing** an understanding of Christ's mission and
- **promoting** active partnership throughout the church.

Our core commitments are

- **relying** on prayer for God's help and the Holy Spirit's guidance;
- **trusting** in the vision, authority and encouragement of Scripture;
- **working** in humility, servanthood and fellowship with the church in mission;
- **developing** interdependent relationships with Diocesan Bishops;
- **providing** pastoral care and professional development for staff and
- **responsibly** managing our resources.

Front cover: Taken by Launceston Field Staff Liz Goodacre in Lilydale, Tasmania

We are Going the Distance by

- **bringing the gospel of Christ to the outermost parts of Australia** – We are committed to sending messengers so that all Australians, no matter where they live and work, are able to hear the life-changing message of Christ.
- **developing a new generation of culturally diverse Christian leaders** – We are committed to engaging young people, discipling them in the faith and encouraging them in ministry so they can lead others to Christ.
- **supporting ministry by Aboriginal and Torres Strait Islander people** – We are committed to working with our first peoples so they can serve Christ in ways that are Biblically faithful and culturally appropriate.
- **planting and renewing sustainable churches** – We are committed to establishing vibrant and outward-looking gatherings of Christ's people.
- **equipping local leaders for fruitful ministry** – We are committed to supporting Christians 'on the ground' so they can be salt and light for Christ.
- **providing care in Christ's Name** – We are committed to serving hurting people in times of crisis and through ongoing Christ-centred pastoral care.

The tyranny of distance. It's a phrase that we readily associate with the bush. Since time immemorial, inhabitants of this vast, harsh land have had to cope with isolation. As time has passed we have devised staggeringly impressive means of transport and communication to bring together people who are far apart. When people have a common purpose, even when they are highly motivated and strongly committed, it may be frustrated by lack of mutual support. Geographical remoteness can be a barrier to effectiveness of a shared enterprise. When some of the participants do not know one another personally or when they do not have useful information, work can be hindered.

Many projects labour under such difficulties. They are certainly not new to God's mission. Despite two millennia of these kinds of challenges, God's mission has continued unabated – the gospel has been preached, lives and societies have changed.

Considering the odds, how is that possible? Several paths lead to an answer to that question. Let us take one.

God, creator not only of this land but of all there is, inhabits the furthest reaches of the cosmos and the innermost being of His followers. He tells us He loves what He has made. God's mission is to bring everything and everyone together, reconciled and unified through that love. God's people participate in the process. Prayer is a fundamental mechanism for advancing the mission. Prayer aligns God's people with the purpose. Prayer is a way of communicating and satisfying the needs of the mission. Prayer links together strangers separated by distance, ethnicity, culture and experience. Prayer connects. It energises action.

That is how God has conducted His mission from the beginning. Bush Church Aid has carried God's mission to the bush for almost a century. Prayer has been central to its work. These notes are designed to help anyone who wants to support BCA and its people working in the front line or the back office. You can pray effectively for the mission to enable BCA to go the distance.

For the message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.

1 Corinthians 1:18

May

Pray that those looking after ministry in Karratha will find willing hands to share the load and that God's kingdom will continue to grow and expand under their ministry.

Profile

Karratha is the residential, educational and service centre for the West Pilbara region. Dampier is a major port for the export of iron ore, salt, and natural gas. The Dampier Seafarers Centre services thousands of visiting seafarers every year. Long work hours, high pay, 'extreme' materialism and secularism are constant barriers that only the gospel of Jesus can overcome.

This, then, is how you ought to regard us: as servants of Christ and as those entrusted with the mysteries God has revealed. Now it is required that those who have been given a trust must prove faithful.

1 Corinthians 4:1–2

March

As work begins in the houses Rio Tinto are letting us use for Wickham Community Projects (WCP), pray that the Lord will bless the meals we are preparing for the community three nights a week, creating trust that will give folk confidence to return.

April

Pray that as the Bible is opened with each evening's meal at WCP, people's hearts will be softened. Pray that the Lord would create a desire in them to know His goodness and grace, and that He will grant them the precious gifts of repentance and faith.

May

The local Elders in Roebourne have named WCP, Banyilgu Marndabura (Stepping Stones). Praise God for their enduring faith in Him and may He answer their prayers that WCP will provide the stepping stones their people need to escape dysfunction.

Profile

Wickham, Roebourne, and Point Samson (population: 3500) form a corridor of towns 50 kms east of Karratha and 1600 kms north of Perth. The area is home to the local Ngarluma people, but other Pilbara tribes (Yindjibarndi, Kuruma, Marthadunera, Banyima) also live in Roebourne and the housing area in Wickham.

THE BCA PRAYER

Lord our God, help us to remember those who live in isolated and remote parts of our land. We ask you to strengthen and encourage all whose ministries are supported by The Bush Church Aid Society. Refresh them in times of discouragement and loneliness and call others to stand with them in the task of making Christ known.

Grant that, through the ministry of the Word and Sacraments, through caring service and by support for young people, the message of your redeeming love may be proclaimed and accepted by the people of our land.

We ask these things through Jesus Christ our Lord. Amen.

Profile

Moranbah is like a large suburb dropped into the middle of nowhere. We have all the infrastructure and activities that we could possibly want, and in many cases better accessibility to sports than back home. The kids are taking full advantage of this by getting involved in everything. It's a wonderful way to make local connections.
