SPRING 2025

Reaching Australia for Christ since 1919

The Bush Church Aid Society of Australia

The Bush Church Aid Society has a heart for people living in rural, regional and remote Australia.

We are committed to going the distance to reach Australia for Christ.

Under God, we do this by

proclaiming Christ so that people may respond to Him;

nurturing Christians in their faith and ministry;

strengthening local Christian communities in their mission;

providing services of Christian care and advocacy;

developing an understanding of Christ's mission and

promoting active partnership throughout the church.

Our core commitments are

relying on prayer for God's help and the Holy Spirit's guidance;

trusting in the vision, authority and encouragement of Scripture;

working in humility, servanthood and fellowship with the church in mission;

developing interdependent relationships with Diocesan Bishops;

providing pastoral care and professional development for staff and

responsibly managing our resources.

Going the distance

We are Going the Distance by

bringing the gospel of Christ to the outermost parts of Australia – We are committed to sending messengers so that all Australians, no matter where they live and work, are able to hear the life-changing message of Christ.

developing a new generation of culturally diverse Christian leaders – We are committed to engaging young people, discipling them in the faith and encouraging them in ministry so they can lead others to Christ.

supporting ministry by Aboriginal and Torres Strait Islander people – We are committed to working with our First Nations People so they can serve Christ in ways that are Biblically faithful and culturally appropriate.

planting and renewing sustainable churches – We are committed to establishing vibrant and outward-looking gatherings of Christ's people.

equipping local leaders for fruitful ministry – We are committed to supporting Christians 'on the ground' so they can be salt and light for Christ.

providing care in Christ's Name – We are committed to serving hurting people in times of crisis and through ongoing Christ-centred pastoral care.

As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace.
Ephesians 4:1–3

Please pray for:

- the Chaplains as they serve amongst the student body and in particular as they minister to people from different cultures and languages to their own. May they demonstrate humility and kindness to all.
- opportunities to reflect together (Chaplains and Deans) and individually so that new perspectives and ways of working can be identified.
- opportunities for the Chaplain to develop skills and self-confidence that will support them in their role: for example, use of IT, and engaging in pastoral supervision.

This program in partnership with Nungalinya seeks to offer Indigenous leaders the opportunity to use skills developed during their Applied Ministry course. For each four week Foundations Block, a different Chaplain works alongside the Deans.

THE BCA PRAYER

Lord our God, help us to remember those who live in isolated and remote parts of our land. We ask you to strengthen and encourage all whose ministries are supported by The Bush Church Aid Society. Refresh them in times of discouragement and loneliness and call others to stand with them in the task of making Christ known.

Grant that, through the ministry of the Word and Sacraments, through caring service and by support for young people, the message of your redeeming love may be proclaimed and accepted by the people of our land.

We ask these things through Jesus Christ our Lord. **Amen.**
