**We are thrilled to connect with you in this edition of our newsletter. Your unwavering support and commitment continue to drive our efforts forward. Together, we achieve milestones that stand as testaments to the power of dedication and community. Stay tuned for updates, stories, and opportunities that await!**

## **How God works**

A student from Perth testified that Jesus, the Saviour of the world, had given her the opportunity of salvation after 36 years of substance abuse, which she accepted. Three years on, this student is hungry for the word of God and is a great encouragement to all.

**That's not the end of it!**

FNMT did its first Bible training in Port Augusta, SA, in April 2024. A student from that training had a similar story. When she heard about the student in Perth, she was moved with compassion to meet this student.

This year the AEF held its bi-annual convention in Port Augusta. Yes, you guessed it; both these students met for the first time and were overjoyed and a connection formed. Isn't God so good? Both students continue to serve the Lord.

**Please pray for Gabriel Eades & Naomi Brady.**

AEF/FNMT continues to develop and grow, and it is with great pleasure that, as the Principal of

this God directed ship, Dennis will be sailing on in the work of Bible Training Ministry for at least another two years if the good Lord tarries. He was asked a question, "You have said that you will go another two years, is it a guarded, see how we go two years....", the response was, "I am excited about continuing as I am committed to see where the good Lord takes us on this fascinating journey towards 2030, the journey for this ship has no designated port to berth except where God Almighty would have FNMT in the future.

**Give thanks that Dennis will continue on for another two years. But please pray for succession planning; that at the right time, God's chosen one will take up leading FNMT.**

## **Glam & Glitter – FNMT Graduation Night**

On Friday 15 August, First Nations Ministry Training held its fourth annual graduation ceremony at Balga Evangelical Aboriginal Church.

Our graduates included Marion Vance, Yvette Framer, Gabriel Eades, Kiara Eades and Mitchell

*Continued from previous page...*

Eades. Marion received two Certificates of Achievement for successfully completing our FNMT 14-week course on the Letters of Paul, as well as completing the Discipleship Training Course #2.

Mitchell, Gabriel and Yvette received Certificates of Achievement for completing our Discipleship Training Course 4.2. Gabriel and Yvette also each received Certificates of Completion for the Letters of Paul course.

At the Perth Graduation for Discipleship 4.2: Come Follow Me, several students were awarded certificates that their family members collected on their behalf.

**Please pray for Mitchell Eades to successfully complete Cert IV Ministry & Theology with VBC.**

#### **From the Principal's Desk**

At FNMT, we thank the Good Lord for His provision through faithful believers such as yourselves, everyday people who have trusted in our supreme Lord and God by faith. We marvel every day at God's wonderful love and care for His children, and how He looks after our every need. Matthew 6:26–34 *Look at the birds of the air, for they neither sow nor reap nor gather into barns; yet your heavenly Father feeds them. Are you not of more value than they?*
