

Ep. 356 | When Silence Speaks: Hearing God Through Waiting

Have you ever felt like God is silent when you need Him most? This week, Christine Caine brings wisdom from the Book of Habakkuk on what it means to trust God when you've prayed, obeyed—and still nothing seems to be happening. She challenges us to stop venting to the world and start waiting on God with active expectation. If you're tired of delays and ready for clarity, this word is for you.

AM I CONFUSING ACTIVITY WITH OBEDIENCE, OR AM I TRULY
WAITING ON GOD'S DIRECTION?

WHAT DO MY WORDS—ONLINE AND OFFLINE—SAY ABOUT
WHAT I BELIEVE GOD IS DOING IN MY LIFE?

HAVE I TAKEN TIME LATELY TO GO TO MY "WATCHTOWER"
AND WRITE DOWN WHAT GOD IS SAYING TO ME?
