

## Ep. 380 | One Body, One God: Why Unity Still Matters

What if the greatest threat to our witness today isn't culture—but division within the church itself? Jesus is bigger than anything we disagree on, but when passions run high and voices get loud, we tend to look for rightness over His righteousness. In this episode, Christine Caine walks through 1 Corinthians 1 to remind us that what unites us in Christ is far greater than what divides us in the world. From celebrity culture to competing loyalties, Paul's words to the Corinthian church speak powerfully to our world, calling us back to humility, love, unity, and the centrality of the cross.
