The 2012 Impact Student Leadership Conference (ISLC) for primary students came to CANBERRA on the 11th of May 2012.

Over 300 students from more than 15 primary schools attended this interactive, hands-on and practical day that aimed to prepare the students for their roles and responsibilities as student leaders, encourage them to be positive role models who make a difference in their schools, and equip them with the tools to do so.

Between the 30th of April and 30th of May the Impact Leadership Team will have conducted primary conferences in seventeen locations between Coolangatta (QLD) and Port Augusta (SA); the overall goal that students would leave these conferences with a clear vision, a solid understanding of leadership and dozens of ideas for their time as a student leader.

In just six years the ISLC has grown from 300 attendees to over 15000 secondary and primary student leaders attending across Australia.
