The 2012 Impact Student Leadership Conference (ISLC)s for primary students comes to CANBERRA on the 11th of May 2012.

The ISLC is Australia's premier student leadership training event, holding 39 primary conferences throughout the year. It is a practical, hands-on and interactive learning experience that prepares students for their roles and responsibilities of leadership in their schools.

Impact Leadership will see more than 15,000 school students from across Australia attend the Impact Student Leadership Conferences at one of 39 regional and capital city locations; the overall goal that student leaders would leave this conference with a clear vision, a solid understanding of leadership and dozens of ideas for their time as a student leader.

In just six years the ISLC has grown from 300 attendees to over 15,000 student leaders attending around Australia.
