Event Venue: McKinnon Building – Building 67. Rooms 67.107 and 67.104

Bus Instructions:

University is in session on this date and is also hosting a Graduation Ceremony, so traffic into the campus at the event arrival time will be substantial, and car parks will be at capacity. University Security have put specific measures in place to ensure the safe arrival and departure of students attending both Grip Leadership Conference and UOW Graduation.

Please ensure this information is received by your bus company prior to the day, and reiterated with the driver, on the morning of the trip.

- Buses must enter the University by the **O’Leary Road Entrance** (See map overpage)
- They are **not** to enter via the Eastern Entrance. This entrance will be under pressure with guests arriving for Graduation. They should also not enter via the Western Entrance. This will have them on the wrong side of the ring road for the designated bus stop.
- Buses must drop students off outside either **Early Start** or **Hope Theatre**. Both of these locations have a large stopping bay for the students to alight and are in close proximity to the McKinnon Building. See map overpage.
- Students will alight here and be escorted by teachers to the McKinnon Building.
- Buses must then leave the campus for the day via the Western Entrance and return from 2:15pm to collect students. Students to be collected at the same location – either outside Early Start or Hope Theatre.
- On the return to campus, buses must again enter via the O’Leary Road Entrance.

Schools/Students arriving by car:

- Please enter the University via the Western Entrance on Northfields Avenue.
- Paid parking is available in Multi Storey P1, P2, P3 and P4.
- Once parked and ticket is displayed, please make your way to the McKinnon Building.

The University of Wollongong thank you for your cooperation. **Please refer to map overpage**
