PRIMARY AND SECONDARY STUDENTS ATTENDING SAME EVENT

In 2021 this event will have both primary and secondary students attending the same day. Part of the reason for this is that it has been problematic to book the venue for two separate days, because of the back-log of events trying to be held in 2021 (after so many events were prevented from occurring in 2020). We also noticed, in past years, that speakers would often deliver a very similar presentation to primary and secondary audiences. When we have 'combined' the primary and secondary students in recent years by necessity, schools have indicated that the event was just as impactful for their students. Combining the events has also made this more cost-effective, making the ticket price as affordable as possible.

MAKING CHANGES TO YOUR NUMBERS

This is easy.

- **To increase your numbers**, go online and make a separate registration for the additional places required. Our system will automatically match it up with your original group and we will know that you are attending together.
- **To reduce your numbers**, we need notification in writing to australia@halogen.org.au. There is no penalty if you reduce or cancel more than 28 days prior to the event. There is a 20% admin fee if you cancel 7-28 days prior to the event. Refunds are not possible if the change is made within 7 days of the event.

PAYMENTS, CANCELLATIONS AND REFUNDS

Our Covid-Safe plan suggests that the event will certainly go ahead as planned. In the unlikely event that government restrictions prevent this event from proceeding schools will be given 100% refund. Other aspects of our payment policy are detailed on the invoice you received. If you need a duplicate copy of the invoice please email australia@halogen.org.au.

We look forward to meeting you and your students for what promises to be a fantastic day! Please do not hesitate to contact us if you have any further enquiries.

Kind Regards,
