WHAT TO BRING

FOOD AND DRINKS: Students and teachers are required to bring their own packed morning tea, lunch, and water.

BYO NOTEBOOK OR DEVICE: Paper booklets were previously provided but this has now changed. You can now access a PowerPoint/slideshow in advance so that your group can be guided in preparing for the day and learn more about the speakers. We have also created a PDF booklet suitable for all devices. Some people will bring a device to this event so that they can take their notes on the PDF, or in a note-taking app that they use regularly at school. Others will bring along a pen and a journal or exercise book for taking notes, such as a book that they use for other things throughout the year. You are also welcome to print the PDF booklet for each student in your group, if you feel that this is the best solution for them. **These materials are available to access at www.halogen.au/materials**. You can read more about this change at www.halogen.au/enviro

WHAT TO WEAR

The standard of dress for students at this event is entirely the decision of the school. However, we normally find that the great majority of students attend in normal school uniform.

MERCHANDISE AND OTHER RESOURCES

On the day of the event, the Halogen Pin will be available to purchase for \$5 at the Info Desk, along with other leadership resources.

CERTIFICATES

In making a step towards being more environmentally friendly, teachers will be able to access digital certificates for students. Please visit www.halogen.au/certificate 1
