Halogen Australia is unable to guarantee that all special seating requirements can be met, but we will make every reasonable endeavour to accommodate such requests, as availability of such seating is dependent on the venue.

SPEAKERS

The National Young Leaders Day consists of keynote talks from various speakers, multimedia presentations and interactive learning that seeks a range of specific outcomes for young people who aspire to lead themselves and others well.

To view the full speaker bios for the leadership event, please visit the Brisbane Secondary event page.

WHAT TO BRING

Students and teachers will be given an event booklet to take notes in throughout the day. Please ensure that all attendees bring with them a pen to write with.

MORNING TEA AND LUNCH BREAKS

Attendees are advised to bring with them a packed morning tea, lunch and water with them. Some adults who have been attending for many years may recall that **morning tea was previously supplied for adults** as part of the ticket cost.

We surveyed teachers and only a quarter said they wanted to have the morning tea, so we reduced the ticket price for adults. It seems that most teachers would prefer to buy a better quality barista coffee nearby, which isn't possible on mass, and many school's policy required the teachers to remain with the students during the break.

WHAT TO WEAR

The standard of dress for students at this event is entirely the decision of the school. However, we normally find that the great majority of students attend in normal school uniform.

MERCHANDISE AND OTHER RESOURCES

On the day of the event, the Halogen Pin will be available to purchase for \$5 at the Info Desk, along with other leadership resources.

CERTIFICATES

In making a step towards being more environmentally friendly, teachers will be able to access digital certificates for students after the event. The link for this will be distributed post event.
